Certificate of Insurance

Submission Deadline: December 13, 2019

NRF requires a current certificate of insurance from every exhibitor specific to each show. Please send your certificate of insurance to **[Karen Kimakovich](#)** as soon as possible. **[Click here to view a sample COI form.](#)** The most important items in the attached sample are the coverage of limits along the right-hand side, and the “certificate holder” name and address in the bottom left corner. Please also have your provider add Javits Convention Center and Freeman in the “additional insured” box.

The insurance carrier that provides your company with workers comp and/or liability insurance should be able to provide you with a similar certificate quickly and free of charge.

If you are unable to secure a certificate of insurance that way, here are a couple of providers that offer short- term, event-specific coverage and certificates of insurance for a reasonable fee:

- **[John Buttine Insurance](#)** (PDF)
- **[RainProtection Insurance](#)** (PDF)

IMPORTANT NOTE: An insurance certificate for your company must be on file to gain access to set-up and receive badges.

Exhibitor agrees to obtain adequate insurance coverage, at Exhibitor’s own expense, for property loss and damage and liability for personal injury through the period of the Show, inclusive of Move-in and Move-out days. Acceptable insurance consists of minimum commercial General Liability Coverage of \$2,000,000, with a single limit of \$1,000,000 each occurrence for bodily injury and property damage.

Exhibitor Badge Allotment

Company personnel requiring admittance to the sessions in addition to, or rather than staffing the booth, must register as exhibitor delegate participants by using the allotted complimentary full conference registration or paying the appropriate delegate registration fee.

Additional Exhibitor Booth Staff badges may be purchased for \$500.00/each.

Exhibitor Delegate - One (1) per 10' x 10' booth space rented. Exhibitor delegate badges allow access to full conference activities. Exhibitors wearing these badges will gain admittance to all sessions. In addition, the exhibitor delegate badges permit access to the exhibit hall during move-in, show hours, and move-out.

Additional Exhibitor Delegate badges may be purchased for \$1,500.00/each.

NOTE: Individuals can only have one badge type. NRF does not allow exhibitors to have more than one badge per person. Sharing of badges is NOT allowed. Badges are for exhibiting company personnel only.

CLICK HERE FOR A SAMPLE SUBMISSION

ARE YOU ON LEVEL 1 OR LEVEL 3?

The NRF EXPO Hall is on two levels of the Javits Center – Level 1 and Level 3. If your booth number is between 100 and 1899, you are on Level 1. If your booth number is between 1900 and 4799, you are on Level 3. Please be sure to follow the rules and regulations for your assigned hall and level, as there are some differences (primarily the heights of island booths and hanging signs). **No double decker booths are allowed on Level 1.**

ARE YOU AN ISLAND OR LINEAR BOOTH?

An Island exhibit is any booth exposed to aisles on all four sides. All other booths are considered linear booths. If a booth only shares its back wall with another exhibitor, it is still considered a linear booth, NOT an island booth, and must adhere to the linear booth guidelines. NO peninsula or end cap booths will be assigned.

GENERAL BOOTH CONSTRUCTION GUIDELINES

- No exhibit may span an aisle by ceiling or floor covering.
- Exposed or unfinished sides and/or exhibit backgrounds must be draped to present an attractive appearance. Exhibits will be inspected during the move-in and the service contractor, with the approval of the NRF Show Manager, will provide draping deemed necessary and submit the bill to the exhibitor. NRF reserves the right to base all decisions on the best interests of all concerned parties. All decisions are final.
- **Multiple Booths Sharing a Common Aisle:** A company may reserve two or more island booths at an NRF event; however, these booths may not be located in such a manner that they are situated across from each other on a main, transecting aisle of the Exhibit Hall. Additionally, employees of an exhibiting company that reserves two or more island booths are required to remain in the confines of their respective exhibit spaces and are not permitted to block traffic in the aisle.

LINEAR BOOTH CONSTRUCTION GUIDELINES

Linear booths may not exceed an 8' back wall, including any identification sign unless your booth is on the perimeter and then the height of the back wall is limited to 12 feet including the sign. Structures above 48" must begin *at least* 5' back from the aisle line. No solid exhibit structure, TV, display items, banners, and/or other booth item is permitted to exceed 48" in height in the front 5' of the booth. Hanging signs are NOT permitted for linear booths.

Example of Linear Booth NOT on perimeter

Example of Linear Booth on perimeter

LINEAR BOOTH CONSTRUCTION GUIDELINES WITH AN EXTENDED HEADER

An Extended Header Booth is a linear booth 20 feet or longer with a center extended header. All guidelines for linear booths apply to the Extended Header Booths, except that the center extended header has a maximum height of 8 feet, a maximum width of 20 percent of the length of the booth and a maximum depth of 9 feet from the back wall.

ISLAND BOOTHS, TWO-STORY BOOTHS AND BOOTHS WITH HANGING SIGNS

Below are the different options for booth design, with specifications on height and see through space. To ensure a fair and equitable exhibiting experience, all island booths are required to adhere to these guidelines.

Level 3 Guidelines

Island Booths with or without a header, but WITHOUT a Hanging Banner:

- Display height is limited 24 feet
- Must have a 20% contiguous break on all four sides of the booth to create a direct line of sight through the booth. The 20% sight path may be present under a header; however, the header cannot be larger than 2' in height. Additionally, if the sight path is under a header, the bottom of the header can be no lower than 14' from the ground.

Examples of calculations:

- **20' x 20' booth:** Booth must include a 4' direct line of sight to the opposite side of the booth, creating a 4' opening on all sides. Complete, clear visibility, must begin at 4' and continue to 24' high. If the sight path is under a header, the header cannot be larger than 2' in height and the bottom of the header no lower than 22'.
- **30' x 30' booth:** Booth must include a 6' direct line of sight to the opposite side of the booth, creating a 6' opening on all sides. Complete, clear visibility, must begin at 4' and continue to 24' high. If the sight path is under a header, the header cannot be larger than 2' in height and the bottom of the header no lower than 22'.
- **40' x 80' booth:** Booth must include an 8' direct line of sight to the opposite side of the booth, creating an 8' opening on both 40' sides of the booth. Booth must also include a 16' direct line of sight to the opposite side of the booth, creating a 16' opening on both 80' sides of the booth. Complete, clear visibility, must begin at 4' and continue to 24' high. If the sight path is under a header, header cannot be larger than 2' in height and the bottom of the header no lower than 22'.

Island Booths WITH a Hanging Banner:

- Display height is limited to 16 feet when a hanging banner is being used
- In addition to rules and regulations listed above, if your booth includes a hanging banner, the bottom of the banner cannot be lower than 18' from the floor and the top of the hanging banner cannot be higher than 24' from the floor. If the sight path is under a header, header cannot be larger than 2' in height and the bottom of the header no lower than 14'.

Two-Story Island Booth Guidelines (ALLOWED ONLY ON LEVEL 3):

Island booth guidelines apply ONLY to those booths on Level 3. Two-story/double decker booths are **NOT** allowed on Level 1.

- The second level of a two-story booth can **only** be 60% of the total square footage of the island booth, including the stairwells/steps.
- If the sight path is under the second story of the double decker, the section of the sight path above the structural beam must be constructed of clear material.
- The floor level (first level) of the two-story booth must comply with the 20% line of sight guidelines on all four sides of the booth.
- The height of the second story cannot measure more than 16 feet in height from the floor if you have a hanging banner. The height of the second story cannot measure more than 24 feet without a hanging banner. Other components outside the two-story structure cannot measure more than 24' in height from the floor.
- Hanging banners will be allowed in a two-story booth, however, the bottom cannot hang lower than 18' from the floor and the top cannot be more than 24' from the floor.

- 6 exhibitor expo pass badges (per 10' x 10')
- 1 full conference pass badge (per 10' x 10')
- Up to five product categories in the printed onsite quick guide

[Turnkey booth packages](#) are available for 10'x10', 10'x20' and 20'x20' booths. Contact [Tami Sakell](#) for more details on price at 202-661-3044. Deadline to purchase is December 12th.

Does electricity come with my booth?

No. You will need to place an order through Jake (Javit's utilities). The forms and prices can be found in the [Service Manual](#).

Do I have to order carpet?

Yes, you will need to either rent carpet or provide your own type of floor covering.

I'm not able to stay for the full exhibition. What is NRF's policy on early break-down?

NRF does NOT allow early break-downs for many reasons. If your company dismantles or does not have personnel in the booth during the hours of the exhibition for the three days, your company will lose 50% of their accumulated priority points. You can hire Freeman to tear down your booth for you if needed and labor details are available in the [Service Manual](#).

How many exhibitor registrations are included with my booth?

Exhibitor Booth Staff – Six (6) per 10' x 10' booth space rented. Exhibitor staff badges are for the exclusive use of exhibit booth staff. These badges allow access to the exhibit hall during move-in, show hours, and move-out. Exhibitor booth staff badges provide access to activities in the EXPO halls ONLY. Company personnel requiring admittance to the sessions in addition to, or rather than staffing the booth, must register as exhibitor delegate participants by using the allotted complimentary full conference registration or paying the appropriate delegate registration fee.

Additional Exhibitor Booth Staff badges may be purchased for \$500.00/each.

Exhibitor Delegate - One (1) per 10' x 10' booth space rented. Exhibitor delegate badges allow access to full conference activities. Exhibitors wearing these badges will gain admittance to all sessions. In addition, the exhibitor delegate badges permit access to the exhibit hall during move-in, show hours, and move-out.

Additional Exhibitor Delegate badges may be purchased for \$1,500.00/each.

NOTE: Individuals can only have one badge type. NRF does not allow exhibitors to have more than one badge per person. Sharing of badges is NOT allowed. Badges are for exhibiting company personnel only.

When can I pick up my exhibitor badge?

Badges may be picked up at the Jacob Javits Center (right side of the Crystal Palace) or at the Marriott Marquis (level 5, Soho Room).

For security reasons, each registrant must pick up their own registration badge and provide a valid photo ID. You may not pick up a colleague's badge or badges for your group.

Registration Hours (subject to change):

How do I update my Company Profile and/or Product Category Information?

Please be sure to also select your product categories at the end of the update, you may select up to 5. (Please note that this must be done for each event that your company participates in with NRF. Company description does not carry over from one show to another.)

How do I change the booth point of contact?

Please email [Williana Parker](#) with your updates.

I have a Meeting Room on the show floor so now where can I find those details?

Go to the [Service Manual page](#) to find the pdf on meeting room set-up, graphics and access to the rooms.

Are there any fines to be aware of?

If an exhibitor fails to comply with the rules and regulations, the exhibitor may be penalized, to include loss of points. Below is a list of point deductions each worth 5 points and points will double if more than two warnings are given to a company:

- Using attendee mailing list inappropriately
- Early tear-down or dismantling of booth
- Unauthorized sublet of exhibit space
- Company violating booth guidelines (to include hanging signs and sound levels)
- Soliciting outside the confines of assigned booth space
- Misuse of exhibitor badges
- Holding a meeting/social event that conflicts with the NRF Big Show program or EXPO hours
- Invoices not paid on time as specified in payment schedule

Please note for Rebook: If a company fails to exhibit in any given year, the company will lose 50% of their accumulated points. If a company is considered a no-show, all points accumulated are erased.

How do I book a hotel room?

We recommend that you book your hotel through our official NRF housing partner MCI (formerly Wyndham Jade). Click [here](#) to book your hotel. We now have more NRF partner hotels located near the Javits Center, with incredibly low rates if you stay in our housing block. BONUS: If you stay in our block, you also get additional priority points!

Can I bring my own food to distribute from our booth?

Unfortunately, no. The Javits catering company, [Cultivated](#), does not allow any outside food and all drinks and snacks must be ordered through them.

How can I secure a meeting room for an after-hours event?

All requests for function space in an official hotel must be reviewed and approved by NRF and are permitted during the dates and times listed below. Please submit [this form](#) by December 27, 2019 to [MCI USA](#).

Permissible Dates & Times

Saturday, January 11	Sunday, January 12	Monday, January 13	Tuesday, January 14
Before 4:30 pm or After 8 pm	Before 8 am or After 5:30pm	Before 8 am or After 5:30pm	Before 8 am or After 4:30pm

How can I gain access to the Expo Hall before or after hours for a meeting?

Exhibitors planning an event or meeting at their booth before or after scheduled show hours must complete [this form](#) and submit to Williana Parker at NRF (parkerw@nrf.com) for approval by January 3, 2020. Exhibitors will be notified of the time and location of where passes can be obtained on-site. In addition to a non-EXPO hours pass, all guests must be registered for NRF 2020, and must display their badge in order to enter the EXPO hall.

Important Notes: Someone from your company, with an exhibitor badge, must meet your guests at the designated start time at the entrance to the Hall to escort the group to your booth. If you have any stragglers, a company representative (with a badge) must wait behind at the entrance to escort the late arrivals. If your meeting involves more than 20 people, you will need to order security for your meeting.

International Exhibitors – Visa Request Form

Official information about applying for a visa can be found on the U.S. Department of State Bureau of Consular Affairs Visa Services [website](#). The visa application process can take several months, so NRF encourages international exhibitor to apply for visas as early as possible.

Individuals may request an invitation letter by sending a request to Susan Cuevas at cuevass@nrf.com. NRF is unable to contact US embassies in support of an individual attempting to gain entry into the United States to attend NRF's Big Show.

NRF's guidelines for providing invitation letters are as follows:

- Invitation letters will only be issued to employees of confirmed Exhibiting Companies who have registered for the show. We are unable to process requests for family members not working for the exhibiting company.
- Only a PDF invitation letter will be emailed to the attendee. Original invitation letters cannot be mailed.
- If a visa is denied, NRF will refund according to our cancellation and refund policy as listed in your exhibit booth application terms and conditions. If you paid for any additional registrations beyond your booth allotment, NRF will refund your fees accordingly.
- The invitation letter does not financially obligate NRF in any way. All expenses incurred in relation to the NRF Big Show are the sole responsibility of the exhibitor.
- NRF is not authorized to assist with the visa process beyond providing an invitation letter.
- The following information will be required to submit:

Gender: (Mr. Mrs.)

First Name:

Last Name:

MEETING ROOMS ON SHOW FLOOR

Meeting Room Furnishings

Meeting Rooms on the show floor will be located on two levels and the floorplans may be found [here](#).

Level 1: MR#s 103 - 1861

Level 3: MR#s 3000 - 5985

The meeting rooms are made of Black Impac wall panels with 3 panels per side. Each panel is 87" H by 38 1/8" W with silver metal frames for a finished size of 8' H and 9' square. Gray carpet will be provided inside the rooms (if you wish to change the color, you will be responsible for the cost involved).

If you plan to order a conference table, chairs, coat rack, etc., please review the [Freeman and Javits Service Manual](#) for prices, sizes and options (however you are welcome to use your own company). If you selected more than one meeting room and need to make them one larger room, you are welcome to remove the center walls and you can make the room as long as 20' without a return wall (anything larger will need a support wall). **The deadline for discount pricing is December 12, 2019.**

Please refer to page 3 in the Freeman Service Manual pdf for a Freeman representative name and email address should you have any questions about the structure of the meeting rooms.

Meeting Room Graphics

You are welcome to add graphics to the inside and/or outside walls (except the side walls unless you have a corner room and outside back walls on all rooms). The graphics must be made with a material that can be easily removed without damaging the walls. The usable space for each panel is 38-1/8"W x 87"H (same inside and out) and if you want a graphic on the door, use 30-3/4"W x 73-1/8"H. No bleed is necessary. NRF will provide a standard Meeting Room number sign on each door unless you provide a branded sign yourself.

To order meeting room graphics, please contact Bruce Thompson with Freeman at Bruce.Thompson@freemanco.com.

Again, you are welcome to use your own printer however they will need to get approval from Bruce at Freeman on the materials (glue, tape) to be used to adhere the images.

Press Coverage

If your company has BIG news to share, then NRF 2020: Retail's Big Show is the place for you to say it. Our schedule of annual conferences provides a great opportunity for you to make a significant new product or business announcement to a targeted media audience.

Each of our conferences attracts a variety of media attendees; however, not every conference will be of interest to all publications or broadcast outlets. NRF 2020 generally receives media attention from various well-known industry trade publications, national newspapers, industry bloggers, broadcast outlets, and magazines.

[**Click here**](#) for more details on how to work with the press and gain access to the media and analyst list.

More details to come of how exhibitors can request press information.

[**Social Media Kit**](#) (PDF file)

Priority Points

The NRF will use the priority point system (exhibit seniority) to conduct on-site space selection during NRF Big Show 2020 for 2021. These priority points will be totaled and will determine space selection appointments.

The higher the points—the earlier the appointment—the best chance of being assigned a preferred booth location.

Points will be calculated using the five (5) most recent NRF Big Shows (2016-2020) and will include all confirmed booths and sponsorship orders as of November 11, 2019 for Big Show 2020. Priority point confirmations and space selection appointment times will be emailed prior to NRF 2020 in December 2019.

Priority Points are accumulated by:

- **BOOTH SIZE:** 5 points are earned for each 10' x 10' (100 square feet) booth space rented at NRF 2020.
- **MEMBERSHIP:** 5 points are earned for good member status at the time of NRF 2020.
- **SPONSORSHIPS:** 1 point is earned for every \$5,000 spent on NRF 2020 sponsorships.
- **HOTEL ACCOMMODATIONS:** Points are earned based on final number of rooms booked through MCI USA and utilized at one official NRF hotel. 3 points are earned for those companies with a minimum of 25 hotel rooms, 2 points for 15-24 rooms and 1 point for 5-14 rooms.

NOTE: Points will be granted based on actualized rooms and will be audited post Big Show 2020. Cancelled rooms and no-shows will not be counted toward your point total. Because 2021 space selection will have already happened when we complete our audit, points will be applied to 2022 Big Show space selection. Rooms booked directly with a hotel, even those in our housing block, do not count.

Mergers / Splits/ Partners

When companies are acquired, merged or consolidated, NRF will use the point total from the company with the greatest number of priority points (points will not be combined). If the two merging companies have both purchased a booth and/or sponsorships for an upcoming show, the remaining company will receive the points for the spend of BOTH companies for that show only. All previous points for the company that no longer exists will be deleted.

When a company splits, it is the responsibility of the companies to determine how they want the total points split between each company. NRF Exhibit Operations Department must be notified of any mergers or splits no later than November 18, 2019.

Partner and complimentary booths will not earn priority points.

Company Name Change

If a company name changes since its most recent participation, please notify the NRF Exhibit Operations Department to update your record accordingly.

Penalties

If an exhibitor fails to comply with the rules and regulations, the exhibitor may be penalized, to include loss of points. Below is a list of point deductions each worth 5 points and points will double if more than two warnings are given to a company:

- Using attendee mailing list inappropriately
- Early tear-down or dismantling of booth
- Unauthorized sublet of exhibit space
- Company violating booth guidelines (to include hanging signs and sound levels)
- Soliciting outside the confines of assigned booth space
- Misuse of exhibitor badges
- Holding a meeting/social event that conflicts with the NRF Big Show program or Expo hours
- Invoices not paid on time as specified in payment schedule

If a company fails to exhibit in any given year, the company will lose 50% of their accumulated points.

If a company is considered a no-show, all points accumulated are erased.

NOTE: The point system may be updated on a yearly basis at NRF's discretion.

Hotel Reservations

With more NRF partner hotels located near the Javits Center this year, you'll be able to stay close to the action—plus rates are lower than ever before.

We advise that you book your hotel through our official NRF housing partner MCI (formerly Wyndham Jade). Click the link below to book your hotel today!

Book Your Rooms with MCI

Deadlines:

- **November 18, 2019** - Group Blocks: Exhibiting companies who have blocked **10+ rooms** must provide names along with arrival/departure dates for reservations.
- **December 21, 2019** - Individual Reservations: Deadline for reservations of **1-9 rooms**.

Exhibitors are also welcome to submit their request for rooms using [this form](#).

***NEW!* Earn Priority Points by Booking with MCI USA**

Exhibitors are now able to earn priority points by booking hotel rooms at one of the official NRF hotels with the official housing provider, MCI USA. 3 points are earned for those companies utilizing a minimum of 25 hotel rooms, 2 points for 15-24 rooms and 1 point for 5-14 rooms.

Points will be granted based on actualized rooms and will be audited post Big Show 2020. Cancelled rooms and no-shows will not be counted toward your point total. Because 2021 space selection will have already happened when we complete our audit, points will be applied to 2022 Big Show space selection. Rooms booked directly with a hotel, even those in our housing block, do not count.

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

No children under the age of 18 years are allowed into the EXPO Halls either during move-in, show hours, or move-out. No exceptions will be made.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC's). Thank you for your cooperation.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 *booth structure*

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 *carpet*

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 *shipping*

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 *graphics*

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 *printing*

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

- THE METHOD OF PAYMENT FORM IS SIGNED; OR
- AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH FREEMAN; OR
- WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH FREEMAN.

DEFINITIONS

For purposes of this Contract, "FREEMAN" or "The Freeman Companies" means Freeman Expositions, LLC., Freeman Expositions, Ltd., Freeman Audio Visual, Inc., Exhibit Surveys, LLC., Freeman Exhibit, Freeman Transportation, FreemanXP, LLC., Stage Rigging, LLC., The Freeman Company, Freeman Electrical, LLC., Freeman Digital Ventures, LLC., and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited, to any subcontractors FREEMAN may appoint. The term "EXHIBITOR" means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors ("EAC").

PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. secure funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional charges as indicated on each order form. Payment for Audio Visual services and equipment is due in advance of move-in, unless otherwise agreed in writing with Freeman. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of FREEMAN except where specifically identified as a sale. All rentals (excluding Audio Visual equipment and computers) include delivery, installation, and removal from EXHIBITOR'S booth. Rental prices on Audio Visual equipment and computers do not include labor, delivery, electrical services or removal of the equipment from the booth. In case of cancellation of any orders or services by EXHIBITOR, a one-hour "per person, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If Prestige Carpet, Custom-Cut Carpet, Modular Rental Exhibits and any other custom-order items or services have already been provided at the time of cancellation, fees will remain at 100% of the original charge. Audio Visual orders cancelled within 7 days from the show opening date will be charged a one-day rental rate on equipment. On-site cancellation of Audio Visual services will result in a one-day rental charge of equipment and any applicable labor. If the Show or Event is canceled because of reasons beyond FREEMAN'S control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. FREEMAN will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR'S responsibility to advise the FREEMAN Service Center Representative of problems with any orders, and to check the EXHIBITOR'S invoice for accuracy prior to the close of the Show or Event. If EXHIBITOR is exempt from payment of sales tax, FREEMAN requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, FREEMAN requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show; terms will be net, due and payable in DALLAS, TEXAS upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepaid basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by FREEMAN shall be either applied to reduce the principal unpaid balance or refunded to the payer. If past due invoices or invoice balances are placed with a collection agency or attorney for collection or suit, EXHIBITOR agrees to pay all legal and collection costs. THESE PAYMENT TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. In the event of any dispute between the EXHIBITOR and FREEMAN relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to FREEMAN for its services, as an offset against the amount of any alleged loss or damage. Any claims against FREEMAN shall be considered a separate transaction, and shall be resolved on its own merits. FREEMAN reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR'S estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that FREEMAN may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges. If EXHIBITOR provides a credit card for payment and the credit card transaction is declined, EXHIBITOR hereby authorizes Freeman to process the outstanding balance in multiple smaller increments that total the amount of the outstanding payment obligation. In the event that a THIRD PARTY (AGENT) orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last day of the show, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

ELECTRICAL

If FREEMAN provides electrical services, claims will not be considered, or adjustments made unless filed in writing, by EXHIBITOR, prior to the close of the event. FREEMAN is not responsible for any damage or loss caused by the loss of power beyond its control and EXHIBITOR agrees to hold FREEMAN, its officers, directors, employees and agents harmless from such power loss. IN NO EVENT SHALL FREEMAN BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE. EXHIBITOR shall indemnify and hold harmless FREEMAN, its officers, directors, employees, and agents from and against any and all claims, liabilities, damages, fines, penalties or costs of whatsoever nature (including reasonable attorneys' fees) arising out of or in any way connected with EXHIBITOR'S actions or omissions under this Agreement. Please note that electrical services are NOT automatically included in Audio Visual rentals and must be ordered separately from the designated electrical provider.

LABOR UNDER THE SUPERVISION OF EXHIBITOR RESPONSIBILITIES

EXHIBITOR shall be responsible for the performance of labor provided under this option. It is the responsibility of EXHIBITOR to supervise labor secured through FREEMAN in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with FREEMAN'S Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations. If any labor secured through Freeman is conducting overhead work, the Exhibitor is responsible for ensuring that everyone in the area of overhead work is wearing a hard hat. If the Exhibitor does not have its own hard hats, Freeman can assist with obtaining them. It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

INDEMNIFICATION

EXHIBITOR agrees to indemnify, hold harmless, and defend FREEMAN from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to FREEMAN employees, and/or property damage arising out of work performed by labor provided by FREEMAN but supervised by EXHIBITOR. Further, the EXHIBITOR'S indemnification of FREEMAN includes any and all violations of Federal, State, County or Local ordinances, "Show Regulations and/or Rules" as published and/or set forth by Facility or Show Management, and/or directing labor provided by FREEMAN to work in a manner that violates any of the above rules, regulations, and/or ordinances.

2. FINAL CONTRACT BETWEEN THE PARTIES: In exchange for Shipper's payments and Freeman's services, which the parties have specified in this two-page Contract (including the Air Cargo Service Request and Shipping Instructions), Freeman and Shipper each agree that this Contract shall govern their respective rights and obligations regarding transportation of Shipper's property. This Contract shall take effect when the property first comes into the physical possession of Freeman, and the responsibility of Freeman under same shall end when the property has been placed in the possession of the Consignee or the Consignee's designated agent. If any part or provision of this Contract is found by a court of competent jurisdiction to be void or unenforceable, the remainder of the Contract shall continue in full force and effect.

3. Freeman's RESPONSIBILITIES UNDER THE CONTRACT ARE LIMITED: Freeman is responsible for the satisfactory performance of only those services which it directly provides under this Contract. Freeman shall not be responsible for the performance of individuals of firms who are not under the direct supervision or control of Freeman. Freeman shall not be responsible for events or causes of loss, delay, or damage beyond its reasonable control, including (by way of illustration only, and not as a limitation on the breadth of this clause), strike, lockout, work slowdown or stoppage, power failure, breakdown of plant or machinery, facility failure, vandalism, theft, Act of God, effect of natural elements, riot, civil commotion or disturbance, terrorism, act of war or belligerent parties, and any other cause or causes beyond the reasonable control of Freeman. Freeman makes neither representation nor any warranty regarding the acceptability or suitability of any packaging system or procedure that Shipper might use for its property. Freeman shall not be responsible for damage to loose or uncrated materials, padwrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed or labeled materials. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. 5. REFUSED SHIPMENTS: If the Consignee refuses a shipment tendered for delivery or if Freeman is unable to deliver a shipment because of fault or mistake of the Consignor or Consignee, Freeman's liability shall then become that of a warehouseman.

- (b) Storage charges, based on Freeman's applicable rates, shall start no sooner than the next business day following the attempted notification. Freeman may place the shipment in public storage at the owner's expense and without liability to Freeman.
- (c) If Freeman does not receive disposition instructions within 48 hours of the time of Freeman's attempted first notification, Freeman will attempt to issue a second and final confirmed notification. Such notice shall advise that if Freeman does not receive disposition instructions within 10 days of that notification, Freeman may offer the shipment for sale at a public auction and Freeman has the right to offer the shipment for sale. The amount of sale will be applied to Freeman's invoice for transportation, storage and other lawful charges. Shipper will be responsible for the balance of charges not covered by the sale of the goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.
- (d) Where Freeman has attempted to follow the procedure set forth above and the procedure is not possible, nothing shall be construed to abridge the right of Freeman, at its option, to sell the property under such circumstances and in such manner as may be authorized by law.
- (e) When perishable goods cannot be delivered and disposition is not given within a reasonable time, Freeman may dispose of property to the best advantage. Where Freeman is directed by Consignee or Consignor to unload or deliver property at a particular location where Consignor, Consignee, or the Agent of either is not regularly located, Freeman's liability for the shipment shall terminate after unloading or delivery.

6. LIMITATION ON SHIPPER'S RECOVERABLE DAMAGES: FREEMAN'S LIABILITY FOR DAMAGES ON DOMESTIC SHIPMENTS, INCLUDING BUT NOT LIMITED TO THOSE DAMAGES ARISING FROM OR RELATED TO MISDELIVERY, INCOMPLETE OR OTHERWISE INADEQUATE DELIVERY (INCLUDING BUT NOT LIMITED TO FAILURE TO FOLLOW SHIPPER OR CONSIGNEE INSTRUCTIONS OR FAILURE TO COLLECT OR PROPERLY DELIVER A PAYMENT INSTRUMENT), NONDELIVERY, MISSED PICKUP, AND LOSS OF OR DAMAGE TO CARGO, SHALL BE LIMITED TO THE HIGHER OF \$50.00 (USD) PER SHIPMENT OR \$.50 (USD) PER POUND (\$1.10 (USD) PER KILOGRAM) OF CARGO ADVERSELY AFFECTED THEREBY, PLUS TRANSPORTATION CHARGES APPLICABLE TO THAT PART OF THE SHIPMENT ADVERSELY AFFECTED THEREBY, UNLESS AT TIME OF SHIPMENT THE SHIPPER MAKES A DECLARATION OF VALUE FOR CARRIAGE IN THE SPACE DESIGNATED ON THE SERVICE REQUEST AND SHIPPING INSTRUCTIONS FORM AND PAYS THE APPROPRIATE VALUATION CHARGE. IN NO EVENT SHALL FREEMAN'S LIABILITY EXCEED THE DECLARED VALUE OF THE SHIPMENT OR THE AMOUNT OF LOSS OR DAMAGE ACTUALLY SUSTAINED, WHICHEVER IS LOWER. IF CARRIAGE OF THE SHIPMENT IS SOLELY OR PARTLY BY AIR AND INVOLVES AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE, Freeman's LIABILITY FOR CARGO LOST, DAMAGED OR DELAYED SHALL BE LIMITED TO \$9.07 PER POUND (\$20.00 PER KILOGRAM) FOR CARRIAGE SUBJECT TO THE UNAMENDED WARSAW CONVENTION OR THE WARSAW CONVENTION AS AMENDED BY THE HAGUE PROTOCOL OF 1955, 17 SPECIAL DRAWING RIGHTS PER KILOGRAM FOR CARRIAGE SUBJECT TO THE WARSAW CONVENTION AS AMENDED BY THE MONTREAL PROTOCOL NO. 4 OF 1975, OR \$9.07 PER POUND (\$20.00 PER KILOGRAM) FOR CARRIAGE WHERE THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS, DOES NOT APPLY FOR ANY REASON, UNLESS A HIGHER DECLARED VALUE IS REQUESTED, AND THE FEES SET FORTH IN THE SERVICE GUIDE FOR SUCH HIGHER DECLARED VALUE ARE PAID. FOR INTERNATIONAL SHIPMENTS, THIS SHIPPING REQUEST AND SHIPPING INSTRUCTION CONTRACT SHALL BE DEEMED AN AIR WAYBILL WITHIN THE MEANING OF THE WARSAW CONVENTION.

Notwithstanding the above limitations, domestic shipments containing the following items of extraordinary value are limited to a maximum declared value of \$500.00 (USD):

 - (d) and other inherently fragile or unique items, including prototypes, etc.
- Any declared value in excess of the maximums allowed herein is null and void, and the acceptance by Freeman for carriage of any shipment with a declared value in excess of the allowed maximums does not constitute a waiver of these maximums. Shipper understands that even if Shipper is not able to participate or fully participate in a show due to loss of, theft of, or damage to its property, Freeman shall never be liable or responsible for damages identified by the terms (by way of example only and not in limitation of the breadth of this clause) such as the following: consequential damages, loss of use damages, loss of profits damages, business interruption damages, delay damages, special damages, collateral damages, exemplary damages, damages awarded for gross negligence, direct damages, indirect damages, damages for failure of performance, breach of contract damages, fraud damages, or any other sort of damage for tort or breach of contract. This limitation shall bind the parties:
- (a) whenever or wherever the claimed loss or damage may occur;
 - (b) even though the alleged loss or damage is claimed to result from negligence, strict liability, products liability, breach of contract, breach of statute or regulation, or any other legal theory or cause, and;
 - (c) even though Freeman may have been advised or be on notice of the possibility or even the probability of such damages. Freeman makes no warranties, express or implied, and expressly disclaims any and all warranties. Except for Freeman's failure to deliver in accordance with the Guaranteed Service section of the Service Guide, Freeman will not be liable for misdelivery, incomplete or otherwise inadequate delivery (including but not limited to failure to follow Shipper or Consignee instructions or failure to collect or properly deliver a payment instrument), non-delivery, missed pickup, delay on International shipments, loss or damage unless caused by Freeman's sole negligence.

7. SHIPPER'S RESPONSIBILITIES AND INDEMNIFICATION:

- (a) Shipper must pay in full for the services rendered under this Contract at the time the services are requested. The existence of a dispute between Shipper and Freeman relative to any claim or other matter shall have no bearing on this duty of payment. No claim submitted by or on behalf of Shipper will be processed unless Shipper's account is current.
- (b) Shipper understands and acknowledges that Freeman does not accept or transport illegal, dangerous or hazardous materials of any kind or nature. Shipper warrants and ensures that its property is inert, and contains no Hazardous Substances, Hazardous Materials, Chemicals, Gases, Explosives, Radioactive Materials, Biologically hazardous agents, or any other substance, matter or object in any form that could pose a threat to the health or safety of persons, property or the public welfare in general. Such goods may be warehoused at owner's risk and expense or destroyed without compensation.
- (c) Shipper shall defend and indemnify Freeman, its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of or contributed to by any of the following: Shipper's negligence, willful misconduct, or deliberate act; Shipper's violation of Federal, State, County or Local ordinances; Shipper's violation of Show Regulations and/or Rules as published and set forth by Facility and/or Show Management; and/or Shipper's failure to comply with (b) of this Agreement regarding the inclusion of any dangerous substances in the property placed with Freeman.

8. CLAIMS: Shipper, Consignee, or any other party claiming an interest in the shipment must notify Freeman immediately upon delivery, or in the case of loss or damage which could not have been noted at the time of delivery, within five (5) business days of delivery, of any loss or damage to the shipment. Notice of concealed damage must be confirmed in writing or via email at exhibit.transportation@freeman.com within 5 business days of receipt of the property. If Carrier schedules an inspection, claimant must hold the shipping container, all packaging material and contents in the same condition as they were in when damage was discovered. Receipt of the shipment by the Consignee or the Consignee's agent without written notice on the delivery receipt and/or delivery manifest will be prima facie evidence that the shipment was delivered in good condition. The amount of the claim may not be deducted from the transportation charges. Notice of loss or damage MUST be reported to Freeman at 800-995-3579. The shipment, its container(s), and packing material must be made available to Freeman for inspection at the delivery location. All shipments are subject to opening for inspection by Freeman; however, Freeman is not obligated to perform such inspection. All claims for loss or damage MUST be made in writing to Freeman within one hundred and twenty (120) calendar days after the date of acceptance of the shipment by Freeman. Please refer to the Service Guide for claim procedures. All claims for service failure must be made within thirty (30) calendar days from the date of shipment and Freeman's sole liability for such claims arising from Guaranteed Service shipments shall be limited to the transportation charges as provided in the Guaranteed Service section of the Service Guide. All claims for overcharge must be made in writing to Freeman within sixty (60) calendar days after the invoice date. No action for loss or damage may be maintained against Freeman unless (a) claimant complies with all requirements of this section and (b) for domestic shipments, if the claimant commences the action within one (1) year of the shipment by Freeman unless otherwise required by International, Federal or State Law. If the claim is for loss or damage involving International shipments, claimant must commence the action within two (2) years from the date of acceptance of the shipment by Freeman unless otherwise required by International, Federal or State Law. For purposes of this section, no action shall be deemed to have commenced until receipt by Freeman of service of process of the action on Freeman. Claims for loss or damage must be delivered to the following address: Sedgwick, PO Box 14151, Lexington, KY 40512-4151.

For shipping containers designed for repeated use (tradeshow cases, totes, crates), Freeman shall have no liability for superficial damage to said containers in the form of scuffs, scratches, dents or dings. Freeman will only accept liability for "catastrophic" damage to these shipping containers (crushing, puncture, or complete destruction). Freeman's maximum liability in cases of "catastrophic" damage or total loss will be limited to a depreciated value of the container based on the time elapsed from the original purchase and the purchase price established on the provided original invoice. This maximum liability will be subject to all other applicable limits of liability such as repair costs.

9. CHOICE OF FORUM: THIS CONTRACT SHALL BE CONSTRUED UNDER THE LAWS OF THE UNITED STATES [INCLUDING ADOPTED INTERNATIONAL CONVENTIONS] AND THE STATE OF TEXAS WITHOUT GIVING EFFECT TO THE STATE'S CONFLICT OF LAWS RULES. FREEMAN AND SHIPPER AGREE THAT ANY CLAIM OR DISPUTE OF ANY SORT ARISING OUT OF OR IN ANY WAY RELATED TO THIS CONTRACT, ITS PERFORMANCE OR NONPERFORMANCE, OR DAMAGES ALLEGEDLY RESULTING FROM SAME WILL BE ARBITRATED IN THE CITY OF DALLAS, TEXAS, AND THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION WILL APPLY. IF BINDING ARBITRATION IS UNAVAILABLE TO RESOLVE ANY CONTROVERSY AND IT IS NECESSARY TO LITIGATE THE DISPUTE, THE DISPUTE SHALL BE LITIGATED IN A COURT OF COMPETENT JURISDICTION IN DALLAS COUNTY, TEXAS.

10. MISCELLANEOUS: Shipper warrants the accuracy of the weight and dimension data furnished in this Contract. Shipper understands that once its property is shipped by Freeman pursuant to the instructions contained in this Contract, Shipper has no right to control the shipment; stop the shipment in transit, or divert or reschedule same, and that Shipper will have no control over the property until it is delivered pursuant to the instructions in this Contract. Shipper agrees that this Contract may be provided to any third party, including common or contract carriers of cargo by air, water, rail, or road, for the purpose of confirming the right of Freeman to control the handling of the property and all matters related to payment for the shipment.

Freeman shall not be responsible for the performance of individuals or firms who are not under the direct supervision or control of Freeman. Freeman shall not be responsible for events or causes of loss, delay, or damage beyond its reasonable control, including (by way of illustration only, and not as a limitation on the breadth of this clause), strike, lockout, work slowdown or stoppage, power failure, breakdown of plant or machinery, facility failure, vandalism, theft, Act of God, effect of natural elements, riot, civil commotion or disturbance, terrorism, act of war or belligerent parties, and any other cause or causes beyond the reasonable control of Freeman. Freeman shall not be liable for delay caused by highway obstructions, or faulty or impassable highways, or lack of capacity of any highway, bridge, or ferry, or caused by breakdown or mechanical defects of vehicles or equipment, or from any cause other than the negligence of Freeman. Freeman shall not be bound to transport by any particular schedule, means, vehicle or otherwise, other than with reasonable dispatch.

4. PACKAGING AND CRATES. Shipper's property must be well packaged for safe and secure handling, storage and shipment using ordinary care. Freeman makes neither representation nor any warranty regarding the acceptability or suitability of any packaging system or procedure that Shipper might use for its property. Freeman shall not be responsible for damage to loose or uncrated materials, padwrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed or labeled materials. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. General guidance as to acceptable packaging systems and procedures may be found in publications such as the National Motor Freight Classification, published by the National Motor Freight Traffic Association. If the integrity of a shipment is in question, Freeman reserves the right to improve packaging at shipper's expense.

5. PERISHABLE GOODS. Goods of a perishable nature are carried in dry trailers without environmental or atmospheric control or other special services unless Shipper states on the face of the "Service Request and Shipping Instructions" that the goods are to be carried in a refrigerated, heated, specially ventilated or otherwise specially equipped trailer. This carriage may be subject to additional charges. Shipper is responsible for bringing the goods to the proper temperature before loading the goods into the trailer, for the proper storage of the goods within the trailer, and for setting the temperature (including maintenance and repair), during all times after the trailer is spotted by Freeman and before the trailer is received by Freeman. Freeman is not responsible for product deterioration caused by inherent vice, defects in the merchandise or transit times in excess of product shelf life. Refrigerated, heated, specially ventilated or otherwise specially equipped trailers are not equipped to change the temperature of goods (they are equipped only to maintain temperature). Shipper will give written notice of requested temperature setting of the thermostatic controls before receipt of the goods by Freeman. When a loaded trailer is received, Freeman will verify that the thermostatic controls are set to maintain trailer temperature as requested. Freeman is unable to determine whether the goods were at the proper temperature when they were loaded into the trailer or when the trailer is delivered to Freeman. Air temperature at the unit sensor will be maintained within a proper range of plus or minus 5 degrees Fahrenheit of the temperature requested by Shipper on the face of the "Service Request and Shipping Instructions" if the goods were at that temperature when loaded into the container and if the temperature controls were properly set when the container was loaded.

6. REFUSED SHIPMENTS. If the Consignee refuses a shipment tendered for delivery or if Freeman is unable to deliver a shipment because of fault or mistake of Freeman, Freeman's liability shall then become that of a warehouseman.

(a) Freeman shall promptly attempt to provide notice, by telephonic, electronic or written communication as provided on the face of these shipping instructions, if so indicated, to Shipper or the party, if any, designated in these instructions to receive notice.

(b) Storage charges, if applicable, shall start no sooner than the next business day following the attempted notification. Storage may be, at Freeman's option, in any location that provides reasonable protection against loss or damage. Freeman may place the shipment in public storage at the owner's expense and without liability to Freeman.

(c) If Freeman does not receive disposition instructions within 48 hours of the time of Freeman's attempted first notification, Freeman will attempt to issue a second and final confirmed notification. Such notice shall advise that if Freeman does not receive disposition instructions within 10 days of that notification, Freeman may offer the shipment for sale at a public auction and Freeman has the right to offer the shipment for sale. The amount of sale will be applied to Freeman's invoice for transportation, storage and other lawful charges. Shipper will be responsible for the balance of charges not covered by the sale of the goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.

(d) Where Freeman has attempted to follow the procedure set forth above and the procedure is not possible, nothing shall be construed to abridge the right of Freeman, at its option, to sell the property under such circumstances and in such manner as may be authorized by law.

(e) When perishable goods cannot be delivered and disposition is not given within a reasonable time, Freeman may dispose of property to the best advantage. When Freeman is directed by Consignee or Consignor to unload or deliver property at a particular location where Consignor, Consignee, or the Agent of either is not regularly located, Freeman's liability for the shipment shall terminate after unloading or delivery.

7. INSURANCE. Freeman IS NOT AN INSURER. Shipper is responsible for obtaining insurance for its property. Freeman provides no insurance for Shipper or its property.

8. LIMITATION ON SHIPPER'S RECOVERABLE DAMAGES. Shipper understands that even if shipper's property is lost, stolen, or damaged, Freeman does not pay replacement or restoration cost of any property. **FREEMAN'S MAXIMUM LIABILITY SHALL BE THE AMOUNT OF PROVEN ACTUAL VALUE NOT EXCEEDING THE LOWER OF FAIR MARKET VALUE.**

(THE "FAIR MARKET VALUE" EQUALS THE AS IS WHERE IS PRICE FOR THE PROPERTY AT THE LOCATION OF THE SHOW TO WHICH PRICE A WILLING BUYER AND A WILLING SELLER WOULD AGREE IN AN ORDINARY COURSE OF BUSINESS, ARM'S LENGTH SALE.) OR \$5.00 (USD) PER POUND OF CARGO LOST OR DAMAGED UNLESS AT THE TIME OF SHIPMENT SHIPPER MAKES A DECLARATION OF VALUE FOR CARRIAGE IN THE SPACE DESIGNATED ON THE SHIPPING INSTRUCTIONS AND PAYS THE APPROPRIATE VALUATION CHARGE. Even if Shipper has made a declaration of value, liability shall never exceed the depreciated original invoice value or the fair market value of the property, whichever is less. The value per pound for applying declared valuation charges shall be determined by dividing Shipper's declared value for carriage by the actual weight of the shipment. In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by Shipper or has been agreed upon in writing as the released value of the property upon which the rate is based, such lower value plus freight charges, if paid, shall be the maximum recoverable amount for loss or damage. **Notwithstanding the above limitations, all shipments containing the following items of extraordinary value are limited to a maximum declared value of \$500.00 (USD):** (a) Artworks and objects of art, including without limitation, original paintings, drawings, etchings, watercolors, tapestries and sculptures or prototypes; (b) Clocks, jewelry, including costume jewelry, furs, and fur-trimmed clothing; (c) Personal effects, including without limitation, papers and documents; or (d) Coin money, currency, gift certificates, debit cards, credit cards, and any other items of extraordinary value. (e) For either unmarked, unlabeled, or improperly packaged television monitors, the maximum liability is the lesser of \$3.00 (USD) per pound or the actual invoice price.

Any declared value in excess of the maximums allowed herein is null and void, and the acceptance by Freeman for carriage of any shipment with a declared value in excess of the allowed maximums does not constitute a waiver of these maximums. In any event, (excluding small package program shipments) **Freeman's MAXIMUM LIABILITY WILL NEVER BE MORE THAN \$100,000 PER SHIPMENT.** Shipper understands that even if Shipper is not able to participate or fully participate in a Show due to loss of, theft of, or damage to their property, Freeman shall not be liable or responsible for damages identified by the terms (by way of example only and not in limitation of the breadth of this clause) such as the following: consequential damages, loss of use damages, loss of profits damages, business interruption damages, delay damages, special damages, collateral damages, exemplary damages, damages awarded for gross negligence, direct damages, indirect damages, or damages for failure of performance, breach of contract damages, fraud damages, or any other sort of damage for tort or breach of contract. This limitation shall bind the parties: **(a) WHENEVER OR WHEREVER THE CLAIMED LOSS OR DAMAGE MAY OCCUR; (b) EVEN THOUGH THE ALLEGED LOSS OR DAMAGE IS CLAIMED TO RESULT FROM NEGLIGENCE, STRICT LIABILITY, PRODUCTS LIABILITY, BREACH OF CONTRACT, BREACH OF STATUTE OR REGULATION, OR ANY OTHER LEGAL THEORY OR CAUSE, AND; (c) EVEN THOUGH FREEMAN MAY HAVE BEEN ADVISED OR BE ON NOTICE OF THE POSSIBILITY OR EVEN THE PROBABILITY OF SUCH DAMAGES.**

9. SHIPPER'S RESPONSIBILITIES AND INDEMNIFICATION:

(a) Shipper must pay in full for the services rendered under this Agreement at the time the services are requested. The existence of a dispute between Shipper and Freeman relative to any claim or other matter shall have no bearing on this duty of payment. No claim may be submitted by or on behalf of Shipper to Freeman unless Shipper's account is current.

(b) Shipper understands and acknowledges that Freeman does not accept or transport illegal or hazardous materials of any kind or nature. Shipper warrants and will ensure that its property is inert, and contains no Hazardous Substances, Hazardous Materials, Chemicals, Gasses, Explosives, Radioactive Materials, Biologically hazardous agents, or any other substance, matter or object in any form that could pose a threat to the health or safety of Freeman persons, property, or the public welfare in general. Such goods may be warehoused at owner's risk and expense or destroyed without compensation.

(c) Shipper shall defend and indemnify Freeman, its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of or contributed to by any of the following: Shipper's negligence, willful misconduct, or deliberate act; Shipper's violation of Federal, State, County or Local ordinances; Shipper's violation of Show Regulations and/or Rules as published and set forth by Facility and/or Show Management; and/or Shipper's failure to comply with subsection (b) of this section regarding the inclusion of any dangerous substances in the property placed with Freeman.

10. CLAIMS. Claims must be filed in writing within nine (9) months after the date of delivery of the property (or in the case of export traffic, within nine (9) months after delivery at the port of export), except that claims for failure to make delivery must be filed within nine (9) months after a reasonable time for delivery has elapsed. Suits for loss, damage, or delay shall be instituted against Freeman no later than two (2) years and one (1) day from the day when written notice is given by Freeman to the claimant that Freeman has disallowed the claim or any part or parts of the claim specified in the notice. Shipper shall deliver notice of claim for loss or damage by hand, U.S. mail, courier, facsimile, or electronic means to Sedgwick, PO Box 14151, Lexington, KY 40512-4151 as soon as loss or damage is discovered. The notice of claim shall invite a prompt joint survey of the damage, at a time and place to be agreed between the parties, and such survey shall go forward promptly. However, if in any case the property is received by the Consignee or the Consignee's agent without notice of loss or damage to property being served on Freeman within 5 business days of the receipt of the property, it is agreed between Freeman and Shipper that in that instance the presumption shall arise that the property was delivered in proper quantity and in good condition. Notice of concealed damage must be confirmed in writing or via email at exhibit.transportation@freeman.com within 5 business days of receipt of the property. If Carrier schedules an inspection, claimant must hold the shipping container, all packaging material and contents in the same condition as they were in when damage was discovered. Claims filed more than nine (9) months following the date on which the property was delivered or should have been delivered are agreed to be forever time barred.

For shipping containers designed for repeated use (tradeshow cases, totes, crates), Freeman shall have no liability for superficial damage to said containers in the form of scuffs, scratches, dents or dings. Freeman will only accept liability for "catastrophic" damage to these shipping containers (crushing, puncture, or complete destruction). Freeman's maximum liability in cases of "catastrophic" damage or total loss will be limited to a depreciated value of the container based on the time elapsed from the original purchase and the purchase price established on the provided original invoice. This maximum liability will be subject to all other applicable limits of liability such as repair costs.

11. CHOICE OF FORUM / ARBITRATION. THIS CONTRACT SHALL BE CONSTRUED UNDER THE LAWS OF THE STATE OF TEXAS WITHOUT GIVING EFFECT TO ITS CONFLICT OF LAWS RULES. EXCLUSIVE VENUE FOR ALL DISPUTES ARISING OUT OF CONTRACT, TORT, COMMON LAW OR RELATING TO THE ENFORCEMENT OR INTERPRETATION OF THIS CONTRACT SHALL RESIDE IN A COURT OF COMPETENT JURISDICTION IN DALLAS COUNTY, TEXAS. Notwithstanding anything herein to the contrary, any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be exclusively settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof.

12. MISCELLANEOUS. (a) Shipper warrants the accuracy of the weight and dimension data furnished in this Contract; (b) Shipper understands that once its property is shipped by Freeman pursuant to the instructions contained in this Contract, Shipper has no right to control the shipment, stop the shipment in transit, or divert or reschedule same. (c) Shipper agrees that this Contract may be provided to any third party, including common or contract carriers of cargo by air, water, rail, or road, for the purpose of confirming the right of Freeman to control the handling of the property and all matters related to payment for the shipment. Shipper agrees that all shipments are subject to correction and final charges determined by the actual or re-weighted weight of the shipment.

13. SMALL PACKAGE PROGRAM. If items shipped via Freeman's Small Packages program are lost, damaged or destroyed while in Freeman's possession, **FREEMAN'S MAXIMUM LIABILITY SHALL BE \$100 per package UNLESS AT THE TIME OF SHIPMENT SHIPPER MAKES A DECLARATION OF VALUE IN THE SPACE DESIGNATED ON THE SHIPPING INSTRUCTIONS AND PAYS THE APPROPRIATE VALUATION CHARGE.** If small packages are received by the Shipper and notice of loss or damage is not received by Freeman within 15 days of the delivery of the property, the parties agree that the presumption shall arise that the property was delivered in proper quantity and in good condition.

WHAT ARE FREIGHT SERVICES?

.....

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh.
- On the Material Handling Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the rate for the freight category that best describes your shipment. There are four categories of freight:

Crated: material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling: material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.

Uncrated: material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting points.

Carpet and/or Pad Only: shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

- All inbound and outbound shipments are subject to overtime charges if the shipments are received, loaded or unloaded during the overtime hours specified on the Material Handling Order Form. This includes both warehouse and show site shipments.
- Add any late delivery or off-target charges listed on the Material Handling Order Form if the freight will be received after the deadlines listed on the Quick Facts.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.

- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman's carrier choice or delivered back to the warehouse at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

Freeman material handling

SPECIAL HANDLING DEFINITIONS

for frequently asked questions and material handling estimator tools, go to www.freeman.com

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver.

What is Ground Loading/Unloading?

Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.

What is Constricted Space Loading/Unloading?

Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full capacity of trailer – top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.

What is Designated Piece Loading/Unloading?

Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.

What are Stacked Shipments?

Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

What is Shipment Integrity?

Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

What is Alternate Delivery Location?

Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building, or to other buildings in the same facility.

What are Mixed Shipments?

Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. Freeman defines special handling for mixed loads as having less than 50% of the volume as uncrated.

What does it mean if I have "No Documentation"?

Shipments arrive from a small package carrier (including, among others, Federal Express, UPS & DHL) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

What is the difference between Crated and Uncrated Shipments?

Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting points.

What about carpet only shipments?

Shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

NATIVE FILES:

- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:

- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK

You may get the password and other needed information from your Freeman service representative in order to post files. However, a hard copy proof and backup of the files on CD-Rom/DVD may be required to be sent via overnight delivery in addition to posting the electronic files. Please call (201) 299-7575 for assistance.

UNION JURISDICTIONS AT JACOB K. JAVITS CONVENTION CENTER

THERE ARE THREE MAJOR UNIONS THAT HAVE JURISDICTION OVER TRADE SHOWS. THE FOLLOWING SHOULD HELP GUIDE YOU IN CONFORMING TO UNION JURISDICTIONS AND ITS ADHERENCE TO THEM WHEN REQUIRED.

TEAMSTER UNION:

Teamsters handle freight at the exhibit hall. They unload trucks or vehicles and deliver materials to and from booths. They also provide rigging of machinery, moving services and spot machinery in your booth. The normal rigging crew consists of two men and a forklift. Customarily, this service must be ordered in advance at exhibitor's expense.

CARPENTER UNION:

Carpenters handle the erection and dismantling of display and exhibit booths. This also includes all display work. Carpenters uncrate and re-crate machinery or equipment and install and remove all draping and floor covering.

ELECTRICAL UNION:

Electricians handle all electrical work, which includes supply power lines to your booth, connecting equipment to outlets and install signs or headers that are lighted, unless they are permanently a part of the exhibit backwall.

EXHIBITOR CAPABILITIES & WHAT REQUIRES UNION LABOR:

For detailed information regarding work rules and policies on what exhibitors can do and what requires union labor, please visit [Javits Center Operational Policies](#)

GENERAL INFORMATION:

FLAMEPROOFING:

Table coverings as well as all booth equipment must be a non-flammable material. All decorative materials must be fire-resistant and in accord with the standard established by the New York Fire Department. Affidavits attesting to flameproof compliance with New York City Fire Department Regulations must be submitted when requested.

INSURANCE:

Freeman and/or the Association (Exhibit Manager) and/or the Exhibit Convention Site will not be responsible in any way for the safety of any exhibit or materials against fire, water, theft, accident or any cause nor for the loss or damage to goods consigned to its care. However; every effort will be made to protect exhibitor's property. You are advised to consult your insurance broker for proper coverage on any of your display material from the time it leaves your Company's premises until it returns. In most cases a rider can be added to your present policy for a very nominal cost.
