

Membership MEANS *more*

With **16,000+** member companies spanning the diverse retail industry, **NRF** provides unique value and benefits across every employee level.

ADVOCACY

Make your voice heard on Capitol Hill and ensure retail continues to thrive as the nation's largest private-sector employer.

- » **Get the inside scoop.** Discuss legislative issues and implications with our team of expert lobbyists.
- » **Gain direct access.** Communicate directly with members of Congress both in Washington and via in-district visits facilitated by NRF.

RESOURCES

NRF member resources empower the industry that powers our economy.

- » **Be in the know.** Stay updated on all things retail with curated newsletters, industry research, consumer spending surveys, benchmarking reports, economic data and planning guides.
- » **Find retail talent.** NRF members receive complimentary job postings on the NRF Job Board, reaching 15,000+ job seekers.
- » **Protect your systems.** The NRF Cyber Risk Exchange, in collaboration with PwC, provides cybersecurity leaders with a collaborative platform tailored to the retail industry.

COMMUNITY

Real change happens when we work together. NRF networking builds lasting connections.

- » **Make an impact.** Join your executive retail peers on 40+ NRF councils and committees. Grow your network, share best practices and create industry benchmarks.
- » **Increase diversity in retail.** Female retail executives from member companies based in the United States can join the NRF gateway into theBoardlist's private network to be discovered in board searches from companies across the country.

EVENTS

Be part of retail's reimagining. NRF's industry-leading events are designed to drive retail forward.

- » **Upgrade your experience.** Members receive special event rates, perks and more. From the world's largest retail conference to intimate NRF Dinners, NRF events offer something for every retailer.
- » **Our impact doesn't stop after the event.** NRF Members unlock year-round content with NRF On Demand, our digital platform featuring top-rated sessions from our events.
